

ONSITE COVID-19 TESTING FOR INTERNATIONAL TRAVELERS

2022 ASHRAE Annual Conference, Sheraton Centre Toronto

Effective June 12, 2022, the United States will no longer require travelers to test negative for COVID-19 before entering the US. Other countries may require proof of a negative COVID-19 test for returning travel. ASHRAE is pleased to provide complimentary, COVID-19 testing at the Sheraton Centre Toronto (headquarter hotel) in the City Hall room, 2nd floor, for registered, international attendees.

Onsite Testing Provider

Testing will be provided by **HCP Diagnostics** -- a local testing company that specializes in large groups, meetings and events. HCP provides Rapid Antigen tests and Nucleic Acid Amplification Tests (NAATs) (aka PCR), both FDA, Emergency Use Authorized.

How will it work?

- Testee must sign consent form in advance: <https://form.jotform.com/221375082222245>. For “Local Ontario Address” enter the Sheraton Centre Toronto’s address: 123 Queen Street West, Toronto, ON M5H 2M9.
- Testing will be available in the City Hall room on the 2nd floor of the Sheraton Center Toronto.
 - Monday, June 27, 7:00 am – 10:00 am
 - Tuesday, June 28, 7:00 am – 1:00 pm
 - Wednesday, June 29, 7:00 am – 10:00 am
- HCP Admin(s) will be at check-in table to conference badge, verify completion of consent form, ID check, etc.
- Attendee goes to nurse station and tells the nurse which test he/she needs (rapid or PCR)
- Each nurse can administer 12-17 rapid tests per hour.
- Attendee’s will be emailed test results based on the email used for the consent form.
 - 2-3 hours for antigen tests
 - Same day results or PCR tests if taken before 1 p.m. For PCR tests taken after 1 p.m., results by 1 p.m. the following day.
- Appointments will be first come, first serve during the testing hours each day.
- ASHRAE will cover the costs for all registered, international attendees to take the test needed for return travel to their country of origin. **It is the responsibility of the attendee to know their country of origin’s testing requirements (rapid antigen vs. PCR).**
- For those who require any additional documentation for their re-entry into their home country please send the form with demographic information pre-filled to:

Email: inquiry@hcpdiagnostics.com

Subject Line: ASHRAE Travel Form, Date needed

- **Include:**
- Attached document with demographic information pre-filled
- The date required by
- Sample collection method (We collect an Bilateral Oral/Nasal sample)
