# Nick Freitas has taken thousands from corporate special interests, while voting to deny coverage for people with pre-existing conditions.<sup>1</sup>

## We can't trust Nick Freitas because he:

- Won't tell the truth about his record of voting to deny health care<sup>2</sup>
- Would kick 741,000 Virginians off their health insurance during a pandemic<sup>3</sup>
- Has taken thousands from corporate special interests<sup>4</sup>
- Votes with the insurance industry to deny coverage to Virginians<sup>5</sup>

**NICK FREITAS: Wrong on health care.  
Wrong for Virginia families.**
