Election Integrity Project® *California* (EIPCa) 2021 Recall Election Observations Volunteer Agreement

Our Mission

The Election Integrity Project® *California* (EIPCa) seeks to preserve a government of, by, and for the people. As a nonpartisan organization, EIPCa empowers citizen volunteers, through education and training to participate actively in protecting our freedoms and way of life. Citizen vigilance ensures the integrity of that part of our Republic through which citizens exercise our most fundamental right ~ the right to choose our representatives by fair and honest elections.

Our Volunteers

The goal of EIPCa is to enable citizens to become active participants in the entire electoral process with the goal of defending fair and honest elections in every state. Citizens willing to accept their civic responsibility to provide stewardship and oversight are encouraged to become part of the Election Integrity Project® *California* effort.

Why Become an EIPCa Election Observations Volunteer?

A question regularly raised by citizens of the United States of America is, “What can I do to help ensure that ***all*** ballots in every election are ***lawfully*** cast by people legally eligible to vote, and that the results of those elections truly reflect the will of those people?” The Election Integrity Project® *California* provides an answer to that question.

Join us! Election Integrity Project® *California* recruits and trains citizen volunteers throughout the state. These trained volunteers play an active role in protecting our most fundamental right as citizens to have fair and honest elections. You can be a part of this critical, nonpartisan, grassroots movement. Reading and signing this document is your first step in joining our team!
