*Source: California's VoteCal voter registration database of 8/18/20.

Likely deceased/moved mailed ballots= registered on or before 11/4/2008, not voted since 11/4/2008 or before (or NEVER voted), have likely relocated or died yet remain in Active status and were mailed ballots for 11/3/2020 election.

Likely deceased mailed ballots= Active status registrants who match a California Death Index record on first-mid-last name, date of birth, place of birth. Includes those who died at their voter registration addresses. Excludes common names which could be coincidences. Were mailed ballots.

Mailed 2+ ballots= registrants who appear to have two or more Active status registrations (same first-mid-last name, date of birth, address.) At differing addresses, have matching phone number and/or email. Includes married/maiden name changes. Excludes possible twins and common names which could be coincidences. Were mailed 2+ ballots each due to 2+ Active registrations.
