202205251440	Child Development Centers, Inc. Erie, Erie County	NAP	\$41,250	Child Development Center's (CDC) Roosevelt center will create 150 openings for child care/early childhood education that will support Erie families so they can work, complete job training, attend school, etc.; advance social justice by providing low-income/minority households with grant-funded childcare/early learning opportunities that will be available at no charge to most families; equip low-income/minority children with developmental/ educational skills they need to make successful transitions to preschool, kindergarten and beyond; create 30-35 jobs with competitive pay/benefits that will help to reduce unemployment, support workforce development and assist with pandemic recovery; revitalize the Washington Park area with a \$4 million investment in a site that has been unused for 15 years; and ensure that the Roosevelt property at 2300 Cranberry Street (former Roosevelt Middle School) will remain in use for educational purposes as it did for almost 100 years, building on the history/tradition of this site. CDC will use NAP funds to furnish/equip all 11 Roosevelt classrooms that will welcome mostly low-income/minority children. NAP funds will also be used for two health/safety projects: equipping the Roosevelt kitchen; and outfitting a playground with safe high-quality climbing/sliding structures, soft durable artificial turf and 6-foot tall privacy fencing that safely encloses the play area. The kitchen will help to meet two-thirds of each child's daily nutritional needs and to blunt the impact of poverty/food insecurity on Erie's west side. The playground will be an outdoor learning platform where growth and education occur the same as in Roosevelt's indoor classrooms.	Erie Insurance
202205313044	Community Action Partnership of Mercer County Sharon, Mercer County	NAP	\$13,750	The City of Sharon has made a commitment to demolish abandoned unsafe homes to reduce the high amount of blight in the city. With no one taking care of them, the empty lots that once held these homes has become a blight problem of their own. Community Action Partnership of Mercer County's pilot NAP funding started the Lots to Love program which identifies these problem lots and uses three strategies to eliminate the problem of uncared lots: Side Lot Opportunity, allowing a qualified property owner to acquire adjacent property for low to no cost; Adopt-a-Lot; and Sponsor-a-Lot. Funds will be used to continue to support the Lots to Love program by adding a part-time staff to assist the project manager.	FNB Corporation
202205271688	Eagle's Nest Leadership Corporation Erie, Erie County	NAP	\$118,250	The Eagle's Nest will build an athletic center filled with programming, daily activities, and physical fitness to build up, encourage, support, and protect Erie's at-risk community in a safe space, with a goal of completion by 2023. This center will build a stronger, more secure, responsible, and sound community. It will provide instructional, organized sports and physical fitness for approximately 105 students from an adjacent public school during its first year, and this number is expected to grow annually. Activities will address mental, emotional, and physical stressors. The center is built in a neighborhood where income is low, crime is a concern, and unemployment is common. The center will elevate the community, making it more pleasant for residents and attracting new businesses. Funds will be used for construction costs associated with building the athletic center – interior, exterior, plumbing, electrical, HVAC, architectural and engineering, equipment, etc.	C.A. Curtze Co. Erie Bank Knox McLaughlin Gornall & Sennett, P.C. Marquette Savings Bank Municipal Revenue Service UPMC Health Plan
202205312918	Erie Civic Theatre Association (dba Erie Playhouse) Erie, Erie County	NAP	\$34,375	PLAYtime, a program through the Erie Civic Theatre Association dba Erie Playhouse, helps the theatre's partners meet the developmental, educational, and emotional needs of their learners. The program visits a total of 150 Preschool, Pre-K, Kindergarten and First Grade classrooms at 22 schools; completes 4,080 in-person and virtual visits; and engages approximately 2,844 children in the classroom. To reinforce what children have learned in school, reduce summer slide, and enrich family literacy experiences, Erie Playhouse will be adding the PLAYtime Plus component to provide expanded programming during after school, summer, and weekend hours to further engage children and their families. Funds will be used to cover salaries, benefits and taxes, consumable supplies, and travel.	American Tinning & Galvanizing Company Erie Insurance Exchange
202205313019	SSI Neighborhood Network Erie, Erie County	NAP	\$33,000	SSJNN's NAP revitalization projects target much of the city's most neglected census tracts, where risk factors include neighborhood decay, lack of community organization, low educational attainment, high poverty rates, and high perception of crime. In 2022, SSJNN is completing the implementation of a 6-yr, intensive plan through this tax credit program, combining NAP+NPP partner funding to establish layered projects which address: physical image; safety; affordable housing; economic development; and neighborhood conservation & engagement. This application represents the next 1-yr plan with project updates to meet evolving community needs. Funds will be used for general construction, the purchase of equipment, operating costs, and matching SNAP, WIC, and FMNP senior vouchers.	Erie Insurance Exchange
202205313164	10 Thousand Friends of Pennsylvania New Castle, Lawrence County	NPP	\$180,000	To improve health, neighborhood stability, and reduce poverty, 10,000 Friends of Pennsylvania's strategy focuses on homeownership, education outcomes, neighborhood assets, and equitable access to healthy food and recreation. New Castle is typical of many legacy 3rd class cities and former steel towns. Though jobs are available, 38% of residents live below poverty level and 14% unemployed. Access to services, recreation and fresh food are limited. The project will work to promote homeownership with classes and down payment assistance. The organization's asset-based community development approach works to alleviate issues through collaborative partnerships with local government, Blueprint Communities coalition, and non-profits like the Walker House, DON Services and United Way. Funds will be used for food assistance and youth programs, public space and community gardens, housing interventions, housing predevelopment, side yards, small business microloans, project manager consulting fees, salaries, travel, and administrative costs.	First Commonwealth Bank FNB Corporation UPMC Health Benefits
202205312939	Bayfront East Side Taskforce Erie, Erie County	NPP	\$280,000	Bayfront East Side Taskforce (BEST)'s Neighborhood Partnership Plan focuses on increasing neighborhood services, removal of blight, development of housing opportunities, homeowner education and youth programming. These strategies will transform the neighborhood into one families, individuals and businesses desire to live, work and play. BEST plans to maintain safe and affordable rental units, acquire property for blight removal, offer homeowner and tenant education, establish a home repair fund, subsidize affordable rental units, improve neighborhood security and reduce crime, create and maintain attractive greenspace, improve neighborhood infrastructure, develop neighborhood input, and promote the East Bayfront Neighborhood. Funds will be used to maintain administration of the BEST organization and to provide staff time to accomplish the activities and objectives listed in previous sections of the application. Funding will also be used to purchase and demolish blighted property in neighborhood. Support for homeowner repair and code violation improvements, as well as renovations to create additional safe affordable housing will be covered under this year's budget. Maintenance of owned property including the landscaping and snow removal costs on vacant properties which are being held for future development, along with taxes and utilities on rental units. Tax credit funds will cover the anticipated costs for installation of security camera systems which will aid in crime prevention and create a sense of security for residents. Placemaking and neighborhood beautification costs will be a critical activity, as well.	Erie Insurance UPMC WorkPartners National
202205312955	DON Enterprises, Inc. New Castle, Lawrence County	NPP	\$80,000	As with DON's prior NPP awards, any awarded funds are necessary for community stabilization and revitalization of New Castle's Lower East Side. All NPP projects will be carried out succinctly and consistent with the Lower East Side New Castle Elm Street Plan. This NPP will utilize the Elm Street Approach with DON being the sustainable organization, working with community partners to address Image and Identity; Clean, Safe, and Green; Neighborhood Design; Neighbors; and, Economy. Multiple activities will continue to be carried out and other new initiatives will be undertaken. These activities include ongoing new home builds, major façade improvements, gateway improvements, blight removal, repurposing materials, owner occupied home rehabilitations, infrastructure improvements, increased community lighting, education and outreach programs, employment services, community cleanups, park and community garden improvements, and more. Please see attachments. The funds will be used to pay a portion of the Elm Street Manager's salary and trainings; To rehabilitate/improve 10 homes in the Elm Street area; To demolish 1 home; To improve the storefront of 1 business; To create/improve playgrounds, community gardens, community orchard; To host educational workshops; To hold annual community events, market the neighborhood, support local organizations, and the beautification of gateways into the Lower East Side; To increase safety/security in the neighborhood; To help cover the COVID-19 related increases in the cost of accessible new home builds; and to pay necessary administrative costs.	DON Management LLC WesBanco
202205312855	Downtown Bradford Revitalization Corporation Bradford, McKean County	NPP	\$225,000	Currently, the Third Ward Neighborhood in the City of Bradford has poor lighting, unsafe sidewalks, deteriorating or blighted properties, and underutilized economic opportunities. The area lacks proper signage to the City's largest park and lacks an inviting atmosphere for students, residents, and visitors. To help, the Downtown Bradford Revitalization Corporation plans to acquire properties from the McKean County repository as well as blighted properties on the West Washington corridor to demolish and/or create new homes. This will make an immediate impact for residents, visitors, and business owners. The NPP will also support a 50/50 grant match for façade improvements as well as partnering with the City of Bradford utilizing the HOME Rehabilitation program. There are also plans to create better signage and a warmer welcoming to Callahan Park. Funds will be used to acquire parcels of vacant land, acquire buildings, provide renovations to facades, demolish blighted properties, and assist in providing appropriate salaries.	American Refining Group Northwest Bank Zippo Manufacturing
202205251471	Erie Center for Arts & Technology Erie, Erie County	NPP	\$132,500	ECAT, along with its partners and fellow building tenants, will continue to implement a two-generational approach to poverty, which involves borrowing strategies from the US Department of Education's Promise Neighborhood Program. Embracing the concept of "cradle to career," the goal is to provide comprehensive, holistic services that serve not just the individual but the entire community. Bringing new life and activity to Wayne School provides a multitude of benefits to the community including, but not limited to: UPMC's Jameson School of Nursing; The closed school being placed back into service for activities beyond education, including a health clinic with a pharmacy, food bank, and support services for moms and youth; The payment of property taxes, providing sorely needed funds to the school district and municipality; Wayne Primary Care (WPC), operated by Primary Health Network, located in Wayne School is an anchor tenant. As part of the renovation, WPC has expanded its practice and now includes a pharmacy. Funds will be used for salaries, training and technical services, promotions and marketing, space and equipment, partner support, insurance, and legal services.	Hero Diversified Associates UPMC Diversified Services

202205313115	Gannon University Erie, Erie County	NPP	\$220,000	The decline of population in Erie's core neighborhoods has resulted in blighted and neglected properties, a steep decline in homeownership rates, concentrated poverty, limited neighborhood amenities, and weaker community networks. Our West Bayfront (OWB), a resident-led nonprofit affiliated with Gannon University, will continue to coordinate a broad coalition including local government, resident groups, businesses, and houses of worship to undertake tangible and strategic projects including home repairs, homeownership initiatives, small business support, streetscape improvements, and open space enhancements, that improve quality of life, empower residents, and preserve the community's unique diversity. First, project will improve property conditions in targeted areas by providing repair grants to 15 properties, completing rehabilitation of 3 vacant properties, acquiring 1-2 distressed properties for repair, and with the initiation of programs including a Community Land Trust to support homeownership. Second, OWB will support small business attraction and development, particularly in the neighborhood's commercial district, with the implementation of streetscape enhancements, traffic improvements, and joint promotion of local businesses. Third, it will improve parks and public spaces with the development of a concept plan for Gridley Park and implementation of neighborhood beautification projects including tree planting and an anti-litter campaign. Fourth, it will build neighborhood capacity with the development of a neighborhood steward program, increased outreach to residents, and numerous events throughout the year to strengthen relationships. Funds will be used for streetscape improvements, blighted property renovations, indirect expenses, insurance, and legal expenses.	Erie Insurance KeyBank Marquette Savings Bank
202205313023	SSJ Neighborhood Network Erie, Erie County	NPP	\$160,000	SSJ Neighborhood Network (SSJNN)'s NPP revitalization projects target much of the city's most neglected census tracts, where risk factors include neighborhood decay, lack of community organization, low educational attainment, high poverty rates, and high perception of crime. SSJNN is completing the implementation of a 6-yr, intensive plan through this tax credit program, combining NAP+NPP partner funding to establish layered projects which address: physical image; safety; affordable housing; economic development; and neighborhood conservation & engagement. Funds will be used for acquisition of blighted properties, general construction, infrastructure/site preparation, operating costs, and the installation of urban art. 202205312956	Clarion County Adventures Clarion, Clarion County	SPP	\$390,000	The Clarion County COVID-19 Outdoor Recovery Initiative seeks to provide social-distancing compatible, accessible recreational space that will enable outdoor fitness, recreation, and education to mitigate against and prevent the spread of COVID-19. Clarion County Adventures (CCA), a subsidiary organization of the Children's Scholarship Fund of Pennsylvania, plans to construct the Clarion Multi-Generational Community Park. The Park will provide recreational space to offset the closure of interior spaces, such as gymnasiums, as a result of COVID-19. The Park will provide new, previously inaccessible access to recreational amenities to the young and old, as well as the County's disabled and low-income residents, which is particularly important with the recent announcement of Clarion Borough Municipal Pool's permanent closure. The Park's attraction of visitors will spur economic activity in Clarion Borough, aiding the community's recovery from the COVID-19 caused economic downturn. Funds will be used for construction of the new building, new basketball, tennis, and pickleball courts, a new parking lot, and new walking surfaces, as well as related fees. 202205312974	Erie Downtown Partnership Erie, Erie County	SPP	\$300,000	The Erie Downtown Partnership will develop an implementation plan for a downtown public space revitalization to spur and support additional private investment throughout the commercial core of downtown Erie to include a strategy to attract new businesses that will create jobs and help downtown Erie recover from the pandemic. The purpose of the plan is to achieve a fully activated "Main Street" with vibrant places, programming, diverse businesses, and a unique tenant mix aligned with each distinct neighborhood or corridor within downtown. Funds will be used to implement the planning process and development of the public space plan, working with an urban planning firm, as well as to implement increased and new programming adjacent to commercial investments and businesses that create year-round activations in public spaces. Funds will be used to help this public space project to assess and incorporate linkages, sociability, comfort, and access among three anchor sites in downtown creating a network of vibrantly engaged and energized spaces to support both the economic vitality of businesses and the quality of life for residents. The Erie Downtown Partnership will engage with an urban planning firm to facilitate stakeholder engagement and develop a public space design and use plan to include recommendations on infrastructure, amenities, and programming, opinion of costs, a rendered concept for these sites, and a business attraction and support strategy in the Main Street commercial core. Part of this public space improvement strategy will also include the development of designs for a permanent public restroom facility and the addition of a recreational pad to support year-round activation efforts such as sports leagues and a new ice skating rink.	Erie Indemnity Company
202205313114	Erie Downtown Partnership Erie, Erie County	SPP	\$57,300	The Agency proposes utilizing funds to complete needed repairs, updates, and renovations to a property already ideally located in downtown Warren. The proposed location was acquired by the Agency from another local non-profit and is currently a duplex with 2, three bedroom units. Our proposal is to renovate this structure to house 4, one-bedroom units. This work would include renovations and improvements to the existing kitchen and bathroom, electrical upgrades, basic repairs, new back porches, and work to separate and create two additional one bedroom units. Once complete, the former duplex will then house 4, one-bedroom units to be rented to eligible, low-income households who have established services and can live independently. Please see the completed budget narrative which has been submitted with this application. The Agency proposes utilizing a combination of Agency funds, in-kind donations, and requested NAP monies.100% of the requested funds will be utilized for the proposed renovation and repair. Leveraged funds will be utilized for renovations, administrative, and space costs for salaried positions tasked with overseeing aspects of the project.	ERIEBANK
202205313121	Julia Hospice & Palliative Care McKean, Erie County	SPP	\$11,813	Currently, in Erie County, the only palliative care services available are at the two major hospitals. Combined, they are meeting less than 20% of the overall need in both the hospitals and in the community. Julia Hospice and Palliative Care expects to reach 60-70% of their projected annual patient service volumes by the end of 2023. To help meet this need, JHPC plans to build the first residential/inpatient hospice facility and palliative care clinic in Erie County. JHPC plans to employ 37 part/full time employees and 10-15 volunteers and provide end-of life training to those who care for patients and support staff. JHPC plans to increase the utilization of hospice and palliative care services by those who are underprovided in Erie County. To accomplish this, JHPC will partner with community centers located in the three Medically Underserved Areas (MAU) of Erie County offering education and services to those who need them regardless of their ability pay. JHPC has started the process of partnering with the Booker T. Washington Center in Erie, PA. JHPC will offer those who are at the end of their lives a home where people can live until their passing and inpatient care to those whose medical needs cannot be met in one's home. Funds will be used for completion of the construction documents, procurement, and for the actual construction phase of the building. 202205313059	Kane Area Revitalization Enterprise Kane, McKean County	SPP	\$37,500	Kane Area Revitalization Enterprise (KARE) plans to help improve mobility and connectivity for the residents and visitors throughout the Eastern Gateway neighborhood of Kane and to local attractions and businesses. KARE will hire a dedicated NPP Manager for this project, creating a new job, who will work with the Borough and KARE to implement a safety plan to strategically improve sidewalks, signage, and eco-friendly lighting. Local contractors and resources will be the primary choice for all projects, keeping money in the local economy. By setting realistic and attainable goals and benchmarks for each year of this project, KARE will be able to see a difference from this project in making the Eastern Gateway a cleaner, safer, attractive neighborhood. KARE will initiate improvements to both the aesthetics and safety of the neighborhood through the replacement of sidewalks in critical areas. Funds will be used to target sidewalks that are classified as either in "Poor Condition" or "No Sidewalk" and are located in front of properties classified by our engineering firm as "Appealing". KARE will improve lighting and signage in this area as well.	Northwest Bank
202205271637	Redbank Valley Historical Society, Inc. Mayport, Clarion County	SPP	\$71,250	The Redbank Valley Historical Society (RVHS) will focus on the New Bethlehem Health and Heritage Initiative, which will have wide-ranging impacts on the economic and social health of New Bethlehem's most disadvantaged residents. One of New Bethlehem's most iconic buildings will be rehabilitated, which improves the aesthetic and functional nature of New Bethlehem's downtown. Once completed, it is projected that the building will serve 2,000 neighborhood residents annually during charitable events, history exhibitions, live performances, programming for children and seniors, job and career fairs, and a variety of other community programming. The project will impact the economic health of New Bethlehem, including raising the median property value, lowering the poverty rate, increasing the median household income, and increasing the population of New Bethlehem Borough. The RVHS' educational offerings will also foster a life-long love of learning, thereby decreasing school dropout rates. During the second year of the Initiative, contributor funds will be used for critical repairs needed to the Building's Clock Tower/Bell Tower and associated interior improvements. Funds will be used for general construction and renovations, machinery and equipment, and related costs.	First United National Bank Robindale Energy Services Inc. S&T Bank
202205312926	Warren Forest County Economic Opportunity Council Warren, Warren County	SPP	\$56,250	The Warren Forest County Economic Opportunity Council (Agency) proposes utilizing funds to complete needed repairs, updates, and renovations to a property already ideally located in downtown Warren. The proposed location was acquired by the Agency from another local non-profit and is currently a duplex with 2, three-bedroom units. The Agency's proposal includes renovations to this structure to house 4, one-bedroom units. This work would include renovations and improvements to the existing kitchen and bathroom, electrical upgrades, basic repairs, new back porches, and work to separate and create two additional one-bedroom units. Once complete, the former duplex will then house 4, one-bedroom units to be rented to eligible, low-income households who have established services and can live independently. Funds will be used for renovations, administrative, and space costs for salaried positions tasked with overseeing aspects of the project.	Northwest Bank
202205313050	Community Food Warehouse of Mercer County Sharon, Mercer County	CFP	\$8,250	The Community Food Warehouse of Mercer County (CFWMC) is a member of Feeding America, the nation's largest domestic hunger relief organization. CFWMC serves low-income and food insecure individuals in Mercer County that include children, adults, seniors and veterans. With inflation at an all-time high and the cost of basic goods increasing, we are seeing more and more residents turning to the charitable food system for assistance. In order to meet the growing needs of our neighbors facing hunger, we need to source a variety of boxed, canned, fresh, refrigerated and frozen food products. CFWMC plans to accomplish this by sourcing the necessary food items to be distributed through their network of 30 member agencies who are on the front line of hunger and directly serve clients. Additionally, CFWMC will distribute these food items through in-house programming. Since the pandemic, CFWMC has seen a 30% increase in the number of people seeking food assistance. Funds o will be used for the purchase of food and the associated costs to receive, warehouse and distribute it. Purchased food will include typical pantry items as well as refrigerated and frozen food products and fresh produce to include fruits and vegetables.	Hudson Companies Mercer County State Bank

202205312917	Second Harvest Food Bank of Northwest Pennsylvania Erie, Erie County	CFP	\$567,050	Second Harvest has alleviated hunger by providing food to people in need for 40 years. Second Harvest provides more meals to children, families, and seniors than any other hunger-relief organization in northwest Pennsylvania. The process of getting food to those that are hungry requires a dynamic infrastructure and a sophisticated system. Second Harvest cultivates partnerships with and secures donations from food and grocery manufacturers, retailers, food service locations, restaurants, packers and growers, government agencies, individuals, and other organizations. Second Harvest then coordinates and facilitates the movement of donated food to member agencies, including food pantries, soup kitchens, homeless shelters, Backpack Programs, School Pantries, Produce Express distributions, Military Share distributions, and the Senior Box Program. Funds will be used for operating costs/working capital, salary/fringe benefits, consumable supplies, travel, and space costs.	C.A.
